## RESTRICTION

Restriction to one of the following distinct inventions is required

GROUP I Claims 1-62 directed to a method for treating lower urinary tract disorder classified in class 514.

GROUP II Claims 63-70 directed to method of processing insurance claims (business methods)

The above inventions are regarded as distinct because they are separate entities and are patentable in view of each other.

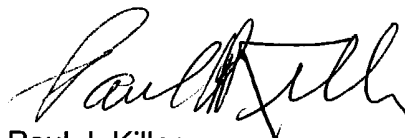

It is to be noted that Congress has provided the Commissioner of Patents with discretion in 35 USC 121 to restrict the application to one of two or more distinct invention. 35 USC 121 does not purport to distinguish between two or more independent and distinct invention recited in one claim vis-à-vis two or more distinct inventions recited in more than one claim . Accordingly applicants are required to limit the application to one of the above inventions.

In a telephonic interview with Pamela A. Torpey and Helen Wendler (both of record) on 14 September 2004, Applicants elected with travers the invention of Group I.

The invention of Group I has been examined and found to be allowable;. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul J. Killos whose telephone number is 571-2720687. The examiner can normally be reached on Mon-Fri. 8:30-6:00.
